Updates to City Operations

While the “Safer at Home” orders are no longer in place, the COVID-19 pandemic is still ongoing. All residents are asked to continue to follow CDC guidelines (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/index.html>) which includes social distancing and frequent hand washing.

The following are the current updates to City operations:

- City buildings are open by appointment only starting Monday, May 18. Appointments should be scheduled directly with the Department or person you are meeting with. Buildings are open by appointment only as we work to put systems in place to ensure the safety of the community and City employees. As a reminder, most City business can be completed online (www.waukesha-wi.gov), by e-mail or by phone.
- City playgrounds will be opening in phases in coordination with the opening of restrooms to allow for hand washing. Residents use these and all City facilities at their own risk. Playgrounds are not sanitized by City employees. Restrooms will be cleaned two times per day (approximately mid-day and end of day). Residents who choose to use City facilities are encouraged to frequently wash their hands and utilize safety measures as recommended by the CDC.
 - Opening on Monday, May 18 (12:00 PM/Noon)
 - Frame Park (Moreland & Schuetze Playgrounds)
 - Frame Park (Rotary Building & Moreland restrooms)
 - E.B. Shurts (restroom only)
 - Heyer Park
 - Banting Park
 - Lowell Park
 - Buchner Park
 - Fox River North
 - Opening on Wednesday, May 20
 - All other City playgrounds and restroom facilities
- Tennis Courts and Pickleball Courts are currently open for singles play.
- Starting on Wednesday, May 20th at 5pm parking time limit restrictions will again be enforced. Those parking on City streets should abide by all posted time limits and guidelines. All other parking ordinances (odd/even, crosswalks, hydrants, etc.) have been enforced throughout the pandemic and will continue to be enforced.
- Advanced Disposal is resuming bulky garbage item pickup. Normal rules apply and can be found here: <https://waukesha-wi.gov/DocumentCenter/View/5784/Residential-RSW-and-Cart-Regulations?bidId=>
- We are continuing to evaluate our recreation programming and facility rentals. Further details will be released at a future date.
